321 Police update PCSO Dane Herd

PCSO Herd has spoken to young people about noise and bad language around the school and the MUGGA. Access to the MUGGA has been restricted due to bad behavior from young people not from the village. PCSO Herd is going to get in touch with Norman Black about speeding through the village. Since the meeting I have received communication from PCSO Herd and Rockcliffe has been added to the list for 'laser gun trained officers' to attend. An email has been sent to the school asking about the situation with the MUGGA no reply as yet.
